Upcoming Holiday Events

Historic Town of Smithville

Newly added this year is S'mores on the Greene. Each Friday, Saturday and Sunday in the month of December you can find us making s'mores around the camp fire on the Greene. For a small fee you will purchase your own s'mores packet and stick and make delicious yummy treats or just gather with us and enjoy. 5pm - 8pm weather permitting.

Over 120 Christmas Trees made from over 50,000 Christmas lights, magically float on Lake Meone in the center of Historic Smithville. The moment darkness falls, an orchestrated show of lights and music is played out across the lake. The lights seem to dance and chase each other to the music all the while reflecting of the water's surface. This show can be seen from either side of the village as well as the bridge. **Thursday, Friday, Saturday & Sunday evenings from dark thru 8:30pm.**
