Such contribution shall be non-refundable and shall be held and used by the Association as working capital, or for such other purposes as the Board deems necessary or desirable.

An Assessment, equal to three (3) monthly payments of the Common Expense Assessment, shall also be collected upon closing of a resale of any Unit within the Condominium and This Assessment shall be deposited into the Association's account as working capital.

III. VIOLATION INFORMATION, PROCEDURES AND ENFORCEMENT OF RULES AND REGULATIONS

Residents have the responsibility to abide by the Rules and Regulations of Timber Glen Condominium Association and to report violations to the Association Office. Residents will be held responsible for the actions of their children and guests. The Association manager, on behalf of the Association Board of Directors, has the authority to require corrective action by the violator and enforce penalties and/or fines where applicable.

In the event you wish to file a complaint with the Board of Directors regarding violations of the Rules and Regulations, Master Deed, and/or By-Laws contact the Association office and provide a written complaint noting the time, place, the violation and the identity of the violator if known. Management can only act on written documentation. Forms are available at the Association Office.

Management upon its own discretion will then contact the alleged violator advising them of said violation.

If a new second complaint is submitted either by the first complainant or a new complaint with the same context, a hearing will be scheduled with the Alternative Dispute Resolution Committee to try and settle the problem.

If the violator objects to the hearing and does not attend the hearing, the matter will be heard without them. The ADR committee will make a recommendation to the Board of Directors as far as guilt or innocence. If found guilty, the Board of Directors will decide on the fine or other penalty and the account will be turned over to the Association Attorney, if necessary. Besides all other fines, the cost of the Association's Attorney will be charged to the guilty party.
