

Ryan's Ridge Condominium Association
COVID-19 Social Distancing and Safety Protocol for the Pool Area
June 18, 2020

DiLucia Management Corporation and the Ryan's Ridge Condominium Association Board of Trustees would like the residents of Ryan's Ridge to have the opportunity to use the pool to cool off and relax in these trying times. The health and safety risks presented by the COVID-19 disease have created the need for an updated set of Pool Rules for the 2020 pool season. The rules and protocols listed below are designed to ensure the safety of all who enter the pool area.

Failure to adhere to the Rules and Protocols listed below will put lives at risk and will not be tolerated. We will not hesitate to close the pool for the season for noncompliance!

Pool Operating Hours: 12 PM – 6 PM Sunday - Saturday

1. Only Ryan's Ridge residents and their **immediate** family (resident, spouse/partner, children, parents and grandchildren) will be permitted to use the pool for the 2020 pool season. There will be **NO additional guests allowed**. We understand this is a disappointment. However, social distancing requirements limit the space available for use.
2. Prior to entering pool, all persons in your group must shower/bathe at home.
3. There are 11 circles on the pool deck. These circles are to be used to assist you in following social distancing guidelines. The circles are approximately 6 feet from the pool. They are six feet away from each other and each circle is 6 feet in diameter. Chairs, towels, and personal belongings should remain inside the circle. A family may use more than 1 circle. **No more than 2 people per circle**. For example: A family of 4 may use 2 circles. If the circles are next to each other, they may also use the space directly in between the circles.
4. Arrows on ground will indicate traffic flow to the pool when at capacity.
5. Adhere to social distancing guidelines when in the water.
6. Due to safety risks, do **NOT** wear masks in the water.
7. The maximum number of residents (including immediate family) is **15** in pool area. Please limit your time at the pool so everyone has a chance to enjoy it. If the circles are filling up, and you have been there for a while, please be considerate and allow other residents a chance to cool off. When leaving, please take everything you came with.
8. There will be no tables or chairs supplied by the Association. Bring your own chair. Chairs may **NOT** be left at the pool.
9. Masks are required when entering and exiting the pool area and when social distancing is not possible.
***Children under 2 should NOT be wearing a mask.**
10. A logbook will be provided inside the entrance of the gate. All units must sign in with unit number and all names in your group. A pen will be provided but feel free to bring your own. Please be sure your name is legible.
11. A hand sanitizer station will be provided near the entrance. If you wear gloves to enter pool gate and to sign in, please discard your gloves in the trash can provided and sanitize your hands before entering the pool deck area. If you do not have gloves to enter gate you are required to sanitize before and after signing in.
***Gloves are strongly recommended when entering the pool gate and using the keypad on the gate.**
***Do not litter! A trash can will be provided near the entrance for disposing of gloves and masks. Any other trash/recycling should be taken to the dumpsters or recycling areas provided along Michael Avenue.**
