New this month

Parking permits are in! Please stop by the office as soon as possible to pick up any needed permits.

Parking has been a hot topic at Timber Glen. It is imperative that you obtain your permits and begin using them right away. Once our records are up to date, we will be keeping a closer watch on vehicles parked in the community. Any vehicle without a permit will be at risk of being tagged and towed.

BOBBY'S MAINTENANCE CORNER

1. Propane grills are not permitted throughout the community. Charcoal grills are allowed but must be stored at least 5 feet away from a building.
2. When is the last time you cleaned your dryer vent? Lint builds up not only in the trap but also in the dryer hose. Remember to clean your vent every 6 months to avoid a fire. Once complete, send a copy of your receipt to the office.
3. Patios and balconies may only be used for patio related furniture items, charcoal, electric grills, the storage of bicycles and trash containers where necessary. No other items are permitted, if you have anything on your balcony that is not allowed, please remove immediately to avoid any fines.
4. Absolutely no personal items are to be kept on common grounds. Items left in common areas will be removed and thrown away.
5. Be mindful of the proper walking path when walking your furry friends and please remember to pick up after them. If a station needs to be refilled with bags or emptied, contact the office as soon as possible.

ARE YOU RECEIVING OUR AUTOMATED CALLS?

If not, please contact the office to ensure we have the correct contact information for you.

INSURANCE CERTIFICATES

Unit owners are responsible for obtaining coverage for the contents of their individual units and for liability insurance for damage to persons and properties located within such units.

It's recommended that you have an HO6 insurance policy.

The office needs to keep accurate records of insurance certificates. Please be sure to send in a new declaration page when your policy renews.

Please email the office with any landscaping or sprinkler concerns.
