NEW THIS MONTH – CLEAN LINES

The Board approved project to have all exterior wood surfaces repaired and painted has begun! They will be working building by building to complete the project and have estimated it to take 3 - 4 months. We ask that you keep your patios/ balconies tidy for the duration of the project to not hinder their work. You will be contacted when they are ready to begin work on your building and also once done.

BOBBY'S CORNER

Patios and balconies may only be used for patio related furniture items; charcoal or electric grills, the storage of bicycles and trash containers where necessary. No other items are permitted, if you have anything on your balcony that is not allowed, please remove it immediately to avoid any fines.

PARKING

Please stop by the office as soon as possible to pick up permits. It is imperative that you obtain your permits and begin using them right away. Once our records are up to date, vehicles without a permit will be at risk of being tagged and towed.

FURRY FRIENDS

Your furry friends are welcome at Timber Glen but there are guidelines as to where they can be walked. Please be mindful of the proper place to walk your dog, which is along Timber Glen Drive. Dogs cannot be on the walking path in the back of the community or on the Tennis Courts. Please remember to pick up after your dog and alert the office if you find a pet station empty of bags, or if the buckets are full of waste.

LOCAL SEPTEMBER FUN
