MANAGEMENT CORPORATION

Winterization Agreement

The owner(s) of this condominium unit, in accordance with the Rules and Regulations of the Timber Glen Condominium Association, confirm that winterization procedures have been performed, as applicable, to include the following:

- Outside garden hoses have been disconnected from hose bibs.
- Water has been shut off to the outside spigots and the pipes have been drained.
- Interior temperature of the unit shall not drop below 60° throughout the winter even if the unit is unoccupied or the occupants are away for any length of time.

Forms are due back to the office by October 8, 2021.
