Re: Certificate of Amendment - Signs

Dear Ms. Moore:

The Certificate of Amendment was filed with the Recorder of Deeds as of May 9, 2018 as Instrument No. 2018029729. The original Certificate, with recording stamps, is enclosed. It should be kept with the permanent records of the Association.

The Community (membership) can and should be notified that the amendment was approved and has been recorded, and a copy of this Amendment should be included in the Governing Documents that are distributed in future resale packets and similar disclosures.

If you have any questions, please do not hesitate to contact us.

Very truly yours,

Hal A. Barrow
