As April fades into May splendor, we can anticipate further spring glory with the further greening of the lawns, the flowering of dogwood, redbud, shadblow, magnolia, fothergilla, lilac, spirea, azalea blooms and more. ENJOY!

Our Landscape program is scheduled to provide continuous support with, weekly lawn mowing, mid month plant bed mulching of the common ground entries, clubhouse and street tree rings, end of month summer floral enhancement transition, and necessary lawn applications of fertilizer and broadleaf weedkiller, all supported by the recent activation of our irrigation system.

So, farewell to uplifting April and hello to a Happy May. " May we have flowers all around us".

Enjoy the community

ROY AUNGST & LANDSCAPE COMMITTEE
