HOMEOWNERS & RESIDENTS,

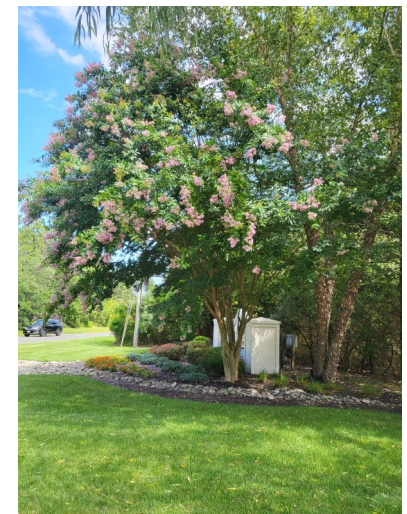

As summer meanders toward the cooler months of Autumn and the warmer weather of August gives way to September with its crisper air, cooler temps, and transitioning landscape, we can continue to appreciate the remaining appeal of our summer season as well as looking forward to what our fall season will offer (leaf color changes of our trees and shrubs, mums, violas, and pumpkins).

September represents the early stage of seasonal transition and still offers us both remaining summer beauty and the excitement of fall splendor. It is a great time to further experience our community and it's landscape value.

Our September landscape program will continue to offer support to further ensure our Landscape Success and will include:

- ◆ Weekly lawn mowing and manicuring
- ◆ Turf applications to control and eradicate unwanted weeds such as crabgrass, dallis grass, bentgrass, and kyllinga.
- ◆ Turf fertilization to provide continued healthy green lawns.

(ALL APPLICATIONS WILL HAVE ADVANCED NOTIFICATION WITH ROBOCALLS AND ENTRY SIGNAGE)
Enjoy our community to its fullest!

HAPPY LABOR DAY

REMEMBER 9/11

Operation Lifeline

The Galloway Township Police Department's "Operation Lifeline" program is for residents who are 55 years of age, who live alone, or who have a medical condition that is potentially incapacitating. Registered residents would call the Galloway Township Police before 10:00am daily. If police don't hear from them by 10:00, a call would be made to the resident to ensure their safety. If they get no response, a police officer will be immediately dispatched to the residence.

Applications are available in the Police Dept Library, www.gtpd.org or contact Officer Jacki Magazzu of the Police Community Service Unit at 609 652 3705 Ext 328.

Applications can be received at the Police Department on Jimmy Leeds Road. Please notify any adult that you know could possibly use this program.

Neighborhood Watch

- With the end of summer approaching, it is time for schools to open. Our BHP community has many school children living here and taking school buses. Please be mindful of the speed limit in the community, not to exceed **25** miles per hour, and to be observant of children crossing the streets.
- Parents, please be aware that Galloway has a curfew of 9:30PM to 6:00AM for all minors under the age 18. Galloway Township Code 161-1 states that it shall be unlawful for any child under the age of 18 years to be in or upon public places.
- Please contact the police immediately if you see something that is suspicious. Please give the police your best description and location. Call the non - emergency number 609 652 3705 Option #1 or 911 for an emergency.
