Brightview will be on-site starting the first week of March (weather permitting) to begin removing winter debris, edging and mowing and putting down spring chemicals. Please plan accordingly and be sure you've tidied up your outdoor space to ensure it is ready for clean-up.

BOBBY'S CORNER

PET REMINDER

Pets are not permitted to roam free, all dogs & cats must be leashed at all times. Dogs may be walked only on the east (inside) side of Timber Glen Drive on the grass between the walking path and Timber Glen Drive. All solid waste must be cleaned up.

The EPA ranks dog waste as an environmental problem equal to toxic chemicals and oil spills.
