Pet of the Month

Princess Gracie Kelly, a white Aussie mix, and Prince Rainier Louis Henri Maxence Bertrand of the House of Grimaldi—Henri for short, a black terrier mix—are both beloved rescues. Gracie and her littermates were tragically thrown from a car in North Carolina, but thanks to my cousin, who fosters rescue dogs, I was able to adopt her at just 7 weeks old. Henri was rescued from a high-risk shelter in Georgia.

Both Gracie and Henri are incredibly friendly with people. Gracie has always loved meeting new dogs and playing, but after Henri joined our family, the two of them became more protective of me and now take a little time to warm up to other dogs. That said, they've made some great friends in the neighborhood—Nelson, Travis, Bailey, and Louis Louis!
